

ADELAIDE HILLS

- Ordering Instructions - Adelaide Hills Visitor Guide 2025

Tourism operators, visitor information outlets, and event organisers can order copies of the new Adelaide Hills Visitor Guide, **at no cost**, through the South Australian Tourism Commission's contracted distributor, **winc**.

Ordering instructions:

- If you are already an account holder with winc, it's business as usual and you can order through your normal online process.
- For **new** winc users, please email Lorraine King - Lorraine.King@winc.com.au and request a Username and Password to order SA Tourism Commission brochures. You must give your business name and sector (e.g. accommodation, attraction, winery, tour operator, event) in order to receive the correct login details.
- Once you have received the above, visit the **winc website**. Type in your Username and Password to enter the site.
- Search for **Adelaide Hills** and the guide will come up.
- Place your order - note there are 50 copies per box and you are ordering the number of brochures you want, not the number of boxes. For example, if you want two boxes, type in 100.
- If you have trouble placing your order or have any queries, please contact the winc customer support team on **13 26 44**.

For first-time orders, please start with one box to get a feel for how quickly you will go through them. For one-off and bulk orders of Visitor Guides (e.g. for a conference), please email your request to Lorraine.
